News from Sharon's place

Fall 2025

Answered Prayers

We are extremely grateful to the prayer warriors who prayed alongside us for our Friend, Leo. God answered those prayers and miraculously saved Leo's life. After a few weeks of rest at home, we got to welcome Leo back!

Game Days

We started something new this summer that turned out to be a big hit. Game Days are once-a-month events where we get together and play table games. We also play Bible Facts and a whole-group bingo game that everyone loves. Our Friends are joined by Special People from other groups, and we emphasize making new friends along with fun and games.

We serve lunch too, featuring popular options such as Chick-Fil-A (thank you, Credit Union of Texas) and sandwiches donated by Latham's Bakery.

Water Games and Foam Fun!

We tried something new on a hot August Friday, one of those days when you welcome some liquid relief. Our Water Games Day featured a variety of water-based games, with our Friends getting wet enough to have a good time. We played with water balloons and squirt guns, but the highlight was the foam party, thanks to Punky Platypus. Some of our more enthusiastic Friends came away completely covered in foam.

Thank You Church Community

A big Thank You to Crossroads Baptist Church and Lakeside Baptist for allowing us to use their facilities for our classes. We also appreciate First Baptist Canton for providing a bus and a friendly bus driver to take us on field trips. We have also been blessed by many other churches in our county that contribute to us financially. Our local church body has been extremely gracious to us. Thank you!

The Lord will fulfill
His purpose for me.
Psalm 138:8

Where Everyone Has a Purpose.

Sharon's place

Sharon's Place Presents
Western Carnival

The second annual Sharon's Place Western Carnival is Saturday October 25, at Gabriel Ranch in Grand Saline.

It has everything that our Friends and their families enjoyed last year, with some new twists and lots of games and prizes. The Cedar Top Chuck Wagon Ministry will be back to serve a delicious meal and Snowies will be there again to serve free sno-cones.

The one thing the carnival needs is volunteers! If you can help for a few hours on October 25, please reach out to us and let us know. We also have a need for home-baked cakes and goodies for the cake walk. If you can contribute, please contact us.

Special People Camp

Also in October, Kristine and Kevin, along with our dedicated volunteer Edna, will all be counselors at Special People Camp in Palestine.

Last year, five Friends went to the camp, but this year we have 14 going! Those who went said such good things about it, more Friends signed up to go.

The camp is two and a half days of fun with fishing, canoeing, recreation, crafts, carriage rides, talent show, dance, and devotional and worship services. Plus lots of opportunities to make new Friends.

Christmas Cards & Ornaments

Our Sharon's Place Christmas cards, hand-colored by our Friends, were well-received and a nice fund-raiser last year, so in July our art project was the 2025 edition of the cards. Each card has a verse printed on the inside and a picture of the Friend who colored the card on the back. The cards are now available for order by reaching out to us directly.

This year, we are also selling Christmas ornaments that the Friends hand-painted. Our creative volunteer Jane made the ornaments and put the finishing touches on them. They are also available now, with proceeds going to our continued and ever-expanding activities.

Thank you for your role in helping our Friends fulfill their God-given purpose!

Want to help us save on postage? We can send a digital version of our newsletter to you instead of a mailed copy. Send a note to kristine@sharons-place.org if you would like your newsletter that way.
